MANGALORE CLUSTER

COMPANY NAME
ADDRESS

HOW THE PROGRAM RUNS IN MANGALURU

Structured 4-Module Program

Delivered by SHINE Foundation under KDEM guidelines — covering strategy, validation, Go-To-Market and scale pathways.

Weekly Mentorship & Reviews

Dedicated mentors track progress, identify gaps and support founders through milestone completion.

Local Market Pilots

Startups get access to customers, partner institutions, and early validation opportunities in the Mangalore region.

Investor Readiness

Pitch coaching, financial refinement, curated investor connects and Demo Day preparation.

Reporting & Transparency

Monthly updates are submitted to KDEM on progress, milestones and financial utilization.

Infrastructure Support

Participating startups get access to premium workspaces, labs and facilities in Mangaluru.

HOW THE PROGRAM RUNS IN MANGALURU

- Karnataka-registered startups (except OPC)
- MVP-ready / PoC-ready / early-traction startups
- Seed-funded or revenue-ready startups
- Innovation-led, tech-enabled solutions
- Founders committed to full-time execution

Cohort Benefits

- Build → Validate → Scale under expert supervision
- Connect with mentors, investors and partners
- Accelerate growth with structured support
- Gain visibility through Demo Day

Implementing Accelerators & Incubators

Startup ecosystem - Partners in progress
